RE: Inquiry Initiated by Commissioner Ervin to Investigate the Reported Sale of
Customers' Personal Information to Third-Parties by Dominion Energy South
Carolina, Incorporated
Docket No. 2019-363-E

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") filed a report with four attachments on its investigation in the above-referenced matter on April 13, 2020. ORS requested the report be filed under seal, not publicly accessible, for fourteen days to allow Dominion Energy South Carolina, Inc. ("DESC") and HomeServe USA Repairment Management Corporation ("HomeServe") an opportunity to file any requests that specific portion(s) of the report be treated as confidential. DESC, on April 27, 2020, filed a redacted copy of the report and a request for a protective order for the redacted portions it asserted contained confidential information.

ORS and DESC have discussed reducing the redactions to the version of the report DESC filed on April 27th. ORS, DESC, and HomeServe have no objections to the version of the report attached to this letter being the public version. The only changes that have been made to the version DESC filed on April 27th are the redactions have been reduced and some formatting issues have been corrected. ORS also does not object to the issuance of a protective order for the information redacted in the version of the report attached to this letter.
